Dear Mr Donnelly

**Public Consultation - Northside Urban Village Draft Regeneration  
Framework**

I refer to your letter of 30 April 2008. The above Regeneration Framework is outside the geographical boundary of the SEELB and therefore the Board will not be offering any comments.

However you may be aware that under the Review of Public Administration, two new bodies are proposed – the Education Skills Authority and the Northern Ireland Library Authority – which will be responsible respectively for education and library services throughout the region. Implementation Teams have been established and Chief Executives Designate appointed with a view to these new authorities coming into operation from 1 April 2009.

Therefore I have copied your letter to the Chief Executives Designate, as detailed below, as they may wish to be involved in your consultation.

Mr Gavin Boyd

Ms Irene Knox

Yours sincerely
