Dear Jackie

### NORTHSIDE URBAN VILLAGE DRAFT REGENERATION FRAMEWORK

Further to our meeting with your colleague Kieran Donnelly on 19 June 2008, I write to confirm Clanmil's support for the objectives outlined in your proposed Framework.

We are very encouraged by the principles of how the area is to be regenerated and would welcome your aspiration that any residential development should include 20% social and affordable housing, but would suggest that this should be a minimum of 20%.

We would be keen to work with a range of partners to promote mixed use/shared future schemes in this area.

Please contact me if you require anything further.

With best wishes.

Yours sincerely
