Dear Jackie

NORTHSIDE URBAN VILLAGE DRAFT REGENERATION FRAMEWORK

It is with great interest and excitement that I have read the above document now issued by the Department, for consultation.

Clanmil, over the last number of years, has been investigating a variety of development opportunities within this area, and I would be keen to meet with you, if you are agreeable, to outline how we can assist in meeting the objectives of this Framework.

I look forward to hearing from you. With best wishes.

Yours sincerely

Carol McTaggart
