

## Budgeting Loans from the Social Fund

Please read these notes carefully. They explain the circumstances when a loan can be paid. Different circumstances apply to payments of Community Care Grants and Crisis Loans. If you think you may be eligible for either of these types of payments, read the section on the other side of this page.

You will need to fill in the right application form for the type of payment you need. These are:

- form **SF300** for a Community Care Grant
- form **SF500** for a Budgeting Loan
- form **SF401** for a Crisis Loan
- form **SF100** (Sure Start) for a Sure Start Maternity Grant
- form **SF200** for a Funeral Payment

You must fill in a separate form for each one.

### Budgeting Loans

- **You may be able to get a Budgeting Loan if:**

you have been getting Income Support, income-based Jobseeker's Allowance, income-related Employment and Support Allowance, State Pension Credit or payment on account of one of these benefits or entitlements for at least 26 weeks,

and

- **you need help:**
  - to buy furniture or household equipment
  - to buy clothing and footwear
  - to pay rent in advance and/or removal expenses to secure fresh accommodation
  - to pay for improvement, maintenance and security of the home
  - with travelling expenses within the UK
  - to pay for things to help you look for or start work
  - to repay HP or other debts that have been taken out for any of the above.

We cannot help with any other types of items or services

**Budgeting Loans have to be paid back but they are interest free.**

You can have one of three rates of Budgeting Loan.

The amount depends on whether you are single, a couple without children or a one or two parent family with children.

The amount of Budgeting Loan you can have also depends on whether you have any other budgeting loans from the Social Fund. The amount of any Budgeting Loan we may pay together with the amount you still owe the Social Fund cannot be more than £1,500.

### Savings

- If you and your partner are aged under 60, savings of more than £1,000 may affect the amount of money you can get.
- If you or your partner are aged 60 or over, savings of more than £2,000 may affect the amount of money you can get.

### We use *partner* to mean

- A person you are married to or a person you live with as if you were married to them, or
- A civil partner or a person you live with as if you are civil partners

**We cannot make a payment for a loan if you already owe £1,500 or more to the Social Fund.**

**We cannot pay a Budgeting Loan for expenses of less than £100.**

### How we decide what we can pay you

The Decision Maker will look at the relevant circumstances and decide the maximum size of Budgeting Loan you can have. Whether or not you can have a loan of up to that amount will depend on if you already have a Budgeting Loan debt.

### Help and advice

It is Agency policy to provide you with all of the information, advice and help to complete any Social Security benefit claim form. Please feel free to contact your nearest Social Security or Jobs & Benefits office, Community Benefit Office or the Benefit Shop, Royal Avenue, Belfast.

If you would like further information about disability benefits, you can also contact the Benefit Enquiry Line. The telephone number is 0800 220 674.

However, if you do not want to make use of our services, you may be able to get help from a friend, relative or an Advice Centre.

See also leaflet **S16 A guide to the Social Fund - available on the internet only**. You can also find out more about the Social Security Agency's benefits and services at [www.dsdni.gov.uk](http://www.dsdni.gov.uk)

These notes give general guidance only and should not be treated as a complete and authoritative statement of the law.

### Reviews

You have the right to ask for a review if you are unhappy with the Decision Maker's decision on your Community Care Grant, Budgeting Loan or Crisis Loan.

If, after the review, you still think the decision is wrong you can ask for a further review by the Social Fund Inspector. You must put this request in writing and send it to the Office of the Social Fund Commissioner, at "FREEPOST OSFC". You do not need a stamp.

Leaflet OSFC6 describes the review process and how the inspector will look at your application. Copies are available from any Social Security or Jobs & Benefits office. You can also download a copy from the web site of the Office of the Social Fund Commissioner at [www.osfcni.org.uk](http://www.osfcni.org.uk)

### How you pay back a loan

- We will look at what you can afford before we decide on the arrangements for repayments.
- If we can pay you a Budgeting Loan, we may make you up to three different offers. It will be up to you which of these offers you can afford to pay back. We may not be able to lower the repayment rate if you later feel you cannot afford the rate you originally agree to.
- If we can pay you a Budgeting Loan, we will ask you to agree to repay it and also to agree the way you will repay it before we make the payment.
- We will take the money back in weekly repayments from your benefit. If you or your partner do not get any benefit, we will arrange for the loan to be repaid in another way.
- If you have problems later on making the repayments as originally agreed we may be able to help, for example reducing your payments by extending the repayment period. Your Social Security or Jobs & Benefits office can give you advice.

### Community Care Grants

**You may be able to get a Community Care Grant if:**

- you are already getting Income Support, income-based Jobseeker's Allowance, income-related Employment and Support Allowance, State Pension Credit or receiving payment on account of one of these benefits

- you are moving out of institutional care or a care home, or
  - you need help to stay in your own home, or
  - your family is having very difficult problems, or
  - you are moving because you have had an unsettled way of life and an organisation like the NIHE or a charity are resettling you, or
  - you need help to travel for special reasons, or
  - you need help because a prisoner or young offender is going to be living with you while they are on temporary release.

**Community Care Grants do not have to be paid back.**

### Savings

- If you and your partner are aged under 60, savings of more than £500 may affect the amount of money you can get.
- If you or your partner are aged 60 or over, savings of more than £1,000 may affect the amount of money you can get.

### Crisis Loans

**You may be able to get a Crisis Loan if:**

- you are aged 16 or over

and

- in an emergency or because of a disaster, you do not have enough money to meet the immediate needs of yourself and your family, if you have one

and

- there is no other way to prevent serious damage or serious risk to the health, or safety, of yourself or a member of your family. **You also may be able to get a Crisis Loan** if you need help to pay rent in advance to a non-NIHE landlord.

**Crisis Loans have to be paid back but they are interest free.**

## Part 7 How we pay you

### **We normally pay your money into an account.**

Many banks and building societies will let you collect your money at the post office.

We will tell you when your Social Fund payment will be made and how much it will be for.

### **Finding out how much we have paid into the account**

You can check your payments on account statements. The statements may show your National Insurance (NI) number next to any payments we have made. If you think your payment is wrong, get in touch with the office that pays you straight away.

### **If we pay you too much money**

We have the right to take back any money we pay that you are not entitled to. This may be because of the way the system works for payments into an account.

For example, you may give us information which means you are entitled to less money. Sometimes we may not be able to change the amount we have already paid you. This means we will have paid you money that you are not entitled to.

### **We will contact you before we take back any money.**

### **What to do now:**

- Tell us about the account you want to use on the next page. By giving us your account details you:
  - agree that we will pay you into an account, and
  - understand what we have told you above in the section **If we pay you too much money**.
- If you are going to open an account, please tell us your account details as soon as you get them.
- If you do not have an account, please contact us and we will give you more information.

**Fill in the rest of this form. You do not have to wait until you have opened an account or contacted us.**

## Part 7 How we pay you – continued

- You can use a **credit union account**. You must tell us the credit union's account details. Your credit union will be able to help you with this.
- If you are an **appointee** or a **legal representative** acting on behalf of the customer, the account should be in your name only.

Please tell us your account details below.

**It is very important you fill in all the boxes correctly, including the building society roll or reference number, if you have one. If you tell us the wrong account details your payment may be delayed or you may lose money.**
