Dear Sir

DRAFT LICENSING AND REGISTRATION OF CLUBS (AMENDMENT) (NORTHERN IRELAND) ORDER 2007

Please note that the above was discussed at the Council meeting dated 23 inst and the Council wished that the comments initially send on the matter as per letter dated 1 March 2006 be reiterated.

Council also strongly voiced the opinion that their original view on the "surrender principle" should remain in place and use every opportunity to address DSD on this issue.

Yours faithfully

Handwritten signature of David Turner.

Technical Services Licensing Officer
